

Health & Safety Statement of Intent

STATEMENT OF INTENT

The policy objectives will be achieved through the actions of all staff in accordance with the general responsibilities detailed in the Organisation and Arrangements sections of the policy. This policy statement shall be brought to their attention by the following means:

- It will be issued to all staff on a personal basis via the Employee Handbook.
- All new staff shall receive an induction at which time they shall be instructed in the policy requirements and any specific hazards associated with the work undertaken.
- It shall be discussed at the Management Review meeting.
- It shall be displayed at each location.

Health and Safety Advisor

A handwritten signature in black ink, appearing to read "R Ball".

Ross Ball
Managing Director, Horizon Group
