10 good reasons why schools buy the Academy Lockable Display Showcases

1. **20 Year Structural Frame Guarantee** - We are extremely confident in the construction of the Academy lockable display showcases. This is why schools now benefit from a 20 year manufacturers guarantee.

2. **Credibility** - We are a British company, producing quality products for over 30 years for thousands of schools nationwide.

3. **British Made** - All Academy lockable display showcases are made in our factory in Yorkshire. This means we guarantee quick delivery.

4. **All Aluminium Construction** - In any size frame, in any frame or felt colour, left or right, or top hinged opening, portrait or landscape.

5. **Stainless Steel Security Allen Key Locks** - This efficient locking system ensures the doors lock and unlock every time. There are no mechanisms that can fail or slots for keys which can be tampered with or superglued in the locked position.

6. **Full Length Security Hinge** - The door hinge is a hidden internal part of the door frame and can not be tampered with.

7. **Fully Welded Corners** - We weld the frame together to ensure the door and the back frame is strong and does not flex. This way the door frame will never fail or come apart at the corners.

8. **Fully Recyclable** - The materials used in the manufacture of the Academy lockable display showcases can be recycled.

9. **Powder Coated In any RAL colour** - We have our own on-site powder coating facility, we can paint the Academy lockable display showcases in any RAL colour.

10. **Fire Safety** - The materials used in the construction of the Academy lockable display showcases are fire rated.
